

Thank you for your interest in the Vision 2020 process. Our mission is to “inspire our community to collectively create a vision for a greater Austin through a city project process where all ideas are welcome and the best are brought to life.”

Included in this toolkit are all the materials needed to run a group idea session. Group idea sessions are critical to gathering as many ideas possible to make Austin better. Applications to serve on the Idea Selection Committee are also included in the toolkit.

The Vision 2020 process looks to involve ALL Austin community members. Your ideas are welcomed and valued.

Again, thank you for your interest in making Austin a great place to live and work.

Sincerely,
